Other Reference Data:

Model No.	Max Connection Qty	Working temperature(℃)	Storage temperature(℃)	Waterproof Index
YA2 2.0-0618	12	-25～60	-40～80	IP66
YA2 2.0-1236	12	-25～60	-40～80	IP66

①Test Temperature is under 25±2℃.
②Typical data as above,may some difference with reasonable fluctuation range.
③The above value of luminous flux is measured by the lighting monochromatic led.
