

Created in 1947, ROLLER GRILL INTERNATIONAL is European leader for the production of catering equipment with the widest range of products: toasters, multifunction ovens, fryers, bains-maries, ventilated heated and refrigerated displays, contact-grills, griddle plates, crepe machines, waffle irons, salamanders, smokers, kebab & gyros grills, rotisseries, refrigerating fountains etc.

Roller Grill GES 10 Single Brussels Waffle Iron MODEL: GES 10

The Roller Grill GES10 Waffle Iron is specifically for making 'Brussels' pattern waffles. The plates feature 2 grids 3 x 5 squares, allowing the unit to produce 2 waffles in just a couple of minutes. The elements that are seated beneath the cast iron plates, giving rapid and even heat distribution across the whole cooking area giving the waffles a golden, crispy finish. The unit has a 4-side drip tray making it suitable to use with fresh or frozen waffle dough and fresh batter mix. Features include power on neon, surround drip tray, cast iron cooking plates and 300 °C thermostat.
