Benefits

The 9544-ME is an economical choice for professional footwear for various work situations. 9544-ME offers a comfortable fit and is available in all standard sizes. Its light weight and anti-slip PU sole provides good grip on various work surfaces and provides long term durability and adequate protection in industrial environments.

Maintenance

Storage Information

Footwear should be stored in their original packaging, kept in a controlled stock area not subject to rapid changes in temperature or humidity levels.

Care Instructions

After use leave your footwear to dry in an aired place away from heat. Remove any excess dust or dirt with a brush. Remove any marks using a damp cloth and soap if necessary. Finally polish any grain or pigmented leathers using a commercially available shoe care product.
