

# Stone Panel Glass

*Give a Silky feel to your furnitures.*

Duplicate the feel and sense of premium furniture in your home with Glass decoration, our Silknet Glass technology combines different designs made on glass with processing to produce one unique product.

Stone Panel Glass made through Silknet technology replicates the aesthetics of marble and wood furniture, but with the advantages of using glass.

Kitchen cabinets are one of the most common appliances for this glass, because of it's smooth acid etched surface is ease to clean, makes it ideal for a functional decoration.

## A Quality Probed Decorative Glass

Yushuo Stone Panel Glass supply uses the best resources and processing technologies in China to ensure our Decorative Glass fulfill every market standard.

Our Glass quality supply means:

- Glass has less stains.
- Designs are more stable and scratch proof.
- Better resistance to humid weather.
- Less bubbles.
- Our Design department can replicate different textures, colors and customize the products.
- Easy to clean.
