

## **INTRODUCTION**

Allow us to present a short history.....

Since it first started operation in 1998, Excel Kitchens has grown into a leading supplier of industrial kitchen equipment in the region.

Starting with just two employees, Excel Kitchens expanded the business to become a multi-regional company with a workforce of over 50 staff under its wing. With time and effort, Excel gained capability to meet the increasing needs and demands of the food service industry, supply innovative solutions and reach new levels of growth each year, thus keeping up with the constantly evolving nature of this business.

At Excel we pride ourselves in supplying state-of-the-art designed kitchens and food service equipment to a wide client base. So whether yours is a major fast food outlet or fine restaurants, hospital or hotel, coffee shop or cafeteria, at Excel we have the equipment, know-how and personnel committed to designing and delivering a kitchen solution that works for you.

Excel is recognized throughout the hospitality industry for supplying powerful, durable food preparation equipments that are built to perform even in the most demanding environments which offers customers consistency, precision and efficiency....
